What do you mean Scorpion escaped and hurt our Masters?

W... What will we do from now on?

The Masters and I pledged an oath when we created the New Murim Alliance;
that should anything happen to them, their students would be entrusted to me...

That was the will of your Masters. However, they fell during the robot's attack...

I still carry on their will and have decided to keep you under my wing.

I hope you will accept me as your Master and follow me from now on!

This is for the peace of Murim!

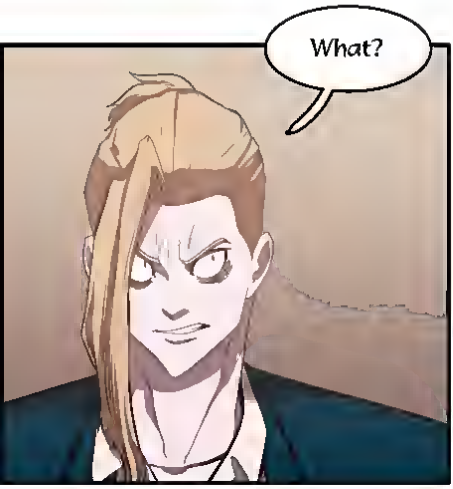
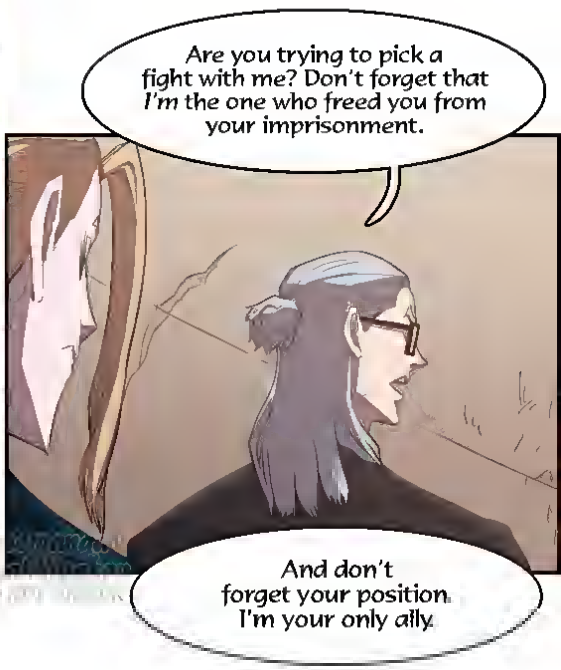
Collecting those third-rates won't matter in a real fight
I never asked for your opinion.



What?



Are you trying to pick a fight with me? Don't forget that I'm the one who freed you from your imprisonment.
And don't forget your position. I'm your only ally.

Tsk...

Sfx: Oong

What're you doing?

I have to heal them.

Sfx. Oong

Ha! You told me to attack them but now you're healing them?!

Aren't you're wasting your precious Ki?

Sfx: Oong

TLN: Suksoo essentially means Stone Smith, but we changed his name for consistency's sake.

Sfx: Oong

Even if they did have a consciousness, they'd probably just think that something was striking it.

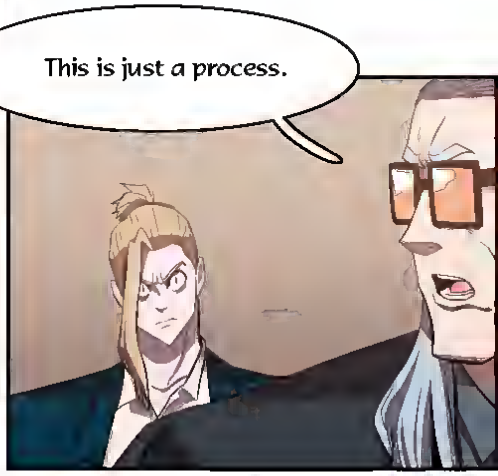
Ughh...

.....

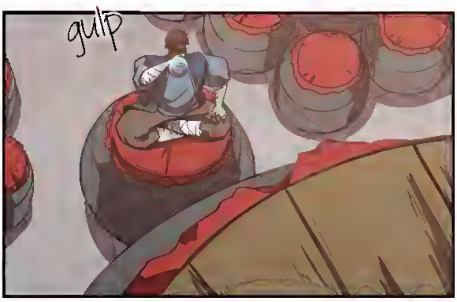
But I'm trying to sculpt something. I'm not trying to break anyone or anything.
No matter what the bedstone thinks, I'll continue to sculpt it to the very end.

Murim... and Aran are but a piece of my sculptures.



This is just a process.

You're crazy...



gulp

No matter how confused you may get... If you win through this alcohol...

Your Ki will be completely that of the Branch's.
If there is a Great Ki of the Branch to be born this day, then there will be a "Grand Master" of the Branch to lead us.

You've full of rage and bloodlust.
Ughhh...

I don't deserve to be bullied by trash like them.
There is no reason to bully others, even if they think they've stronger than you.
However, those situations can be turned around now.
In the past, you wouldn't have dared to express that "rage" of yours. But why? It's because you didn't have the guts to win against those bastards.
You probably didn't even think about fighting them, but now it's different. If you think you can, do it.
Don't you want to see them crying and begging before you?

Avenge yourself!

Do not falter to those who ridiculed you....
